WHAT WE ARE ALL ABOUT

WinterSpree is more than just a youth conference. It is a weekend designed to challenge students to realize that the Creator of the Universe, of Heaven and earth, is the same God who loves them and longs to live in relationship with them. We long for students to leave loving Jesus much more than loving WinterSpree

The atmosphere of WinterSpree is something that sets it apart from other conferences. We had around 400 people in attendance in 2018. We believe having a smaller crowd leads to a more personal time of worship and reflection.

WinterSpree is held in Pigeon Forge, TN at the Ramada Inn/Smoky Mountain Convention Center. Our hotel AND conference center are in the same parking lot (our overflow hotel is less than 2 miles away)! Conveniently located within miles of the hotel are restaurants and all sorts of fun places to take your group during free time. Rooming is *typically* four people per room with two queen size beds. We have a limited number of rooms with three queen size beds. We will determine based on the needs of all groups involved; who stays in these rooms. Continental breakfast is included at the hotel (FYI-Krispy Kreme is in the same parking lot as the Ramada Inn).
